FOREWORD

Annual volumes of the Statistics of Queensland consist of separate Parts, each dealing with a section of statistics, together with an introductory part which includes a list of contents and an alphabetical index for the whole volume. These volumes were completed up to 1939-40 when World War II intervened.

Some of the Parts were published for the years from 1940-41 to 1952-53, but it is not possible to produce some which remained unprinted because of the war. Such issues of the eight annual Parts as are available will form separate volumes, each of which will contain all the issues of a particular Part available for the years 1940-41 to 1952-53.

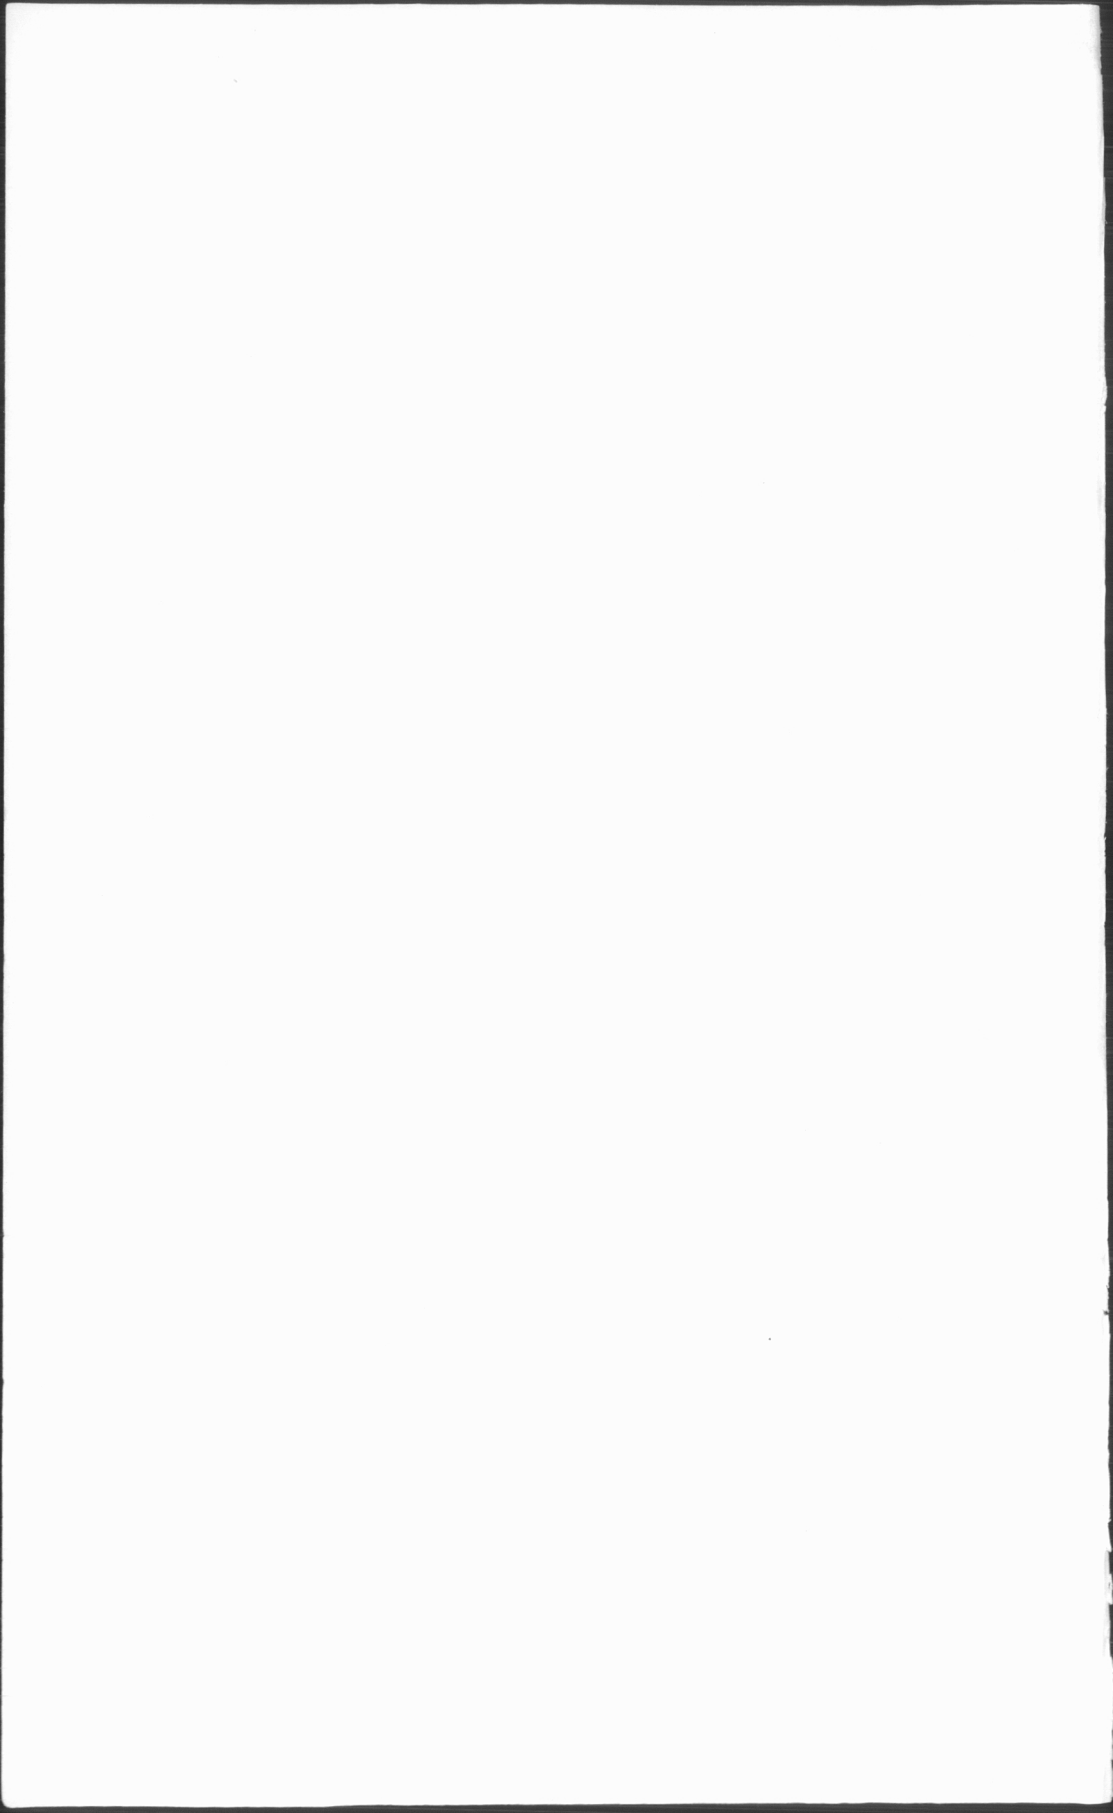

This volume contains all issues of Part A for the years 1947-48 to 1952-53. Issues of Part A for the years 1940-41 to 1946-47 form another volume, and all available issues from 1940-41 to 1952-53 make up a volume for each of the Parts B, D, E, F, and G. There will be no volumes for Parts C and H for these years.

From 1953-54 annual volumes consist of eight Parts (A, B, Bii, C, D, E, F, and G). Part H has been discontinued.

Government Statistician's Office,
Brisbane.

This volume contains issues of Part A for the years:

1947-48	1949-50	1951-52
1948-49	1950-51	1952-53

STATISTICS
OF
THE STATE OF QUEENSLAND

FOR THE YEAR

1947-48.

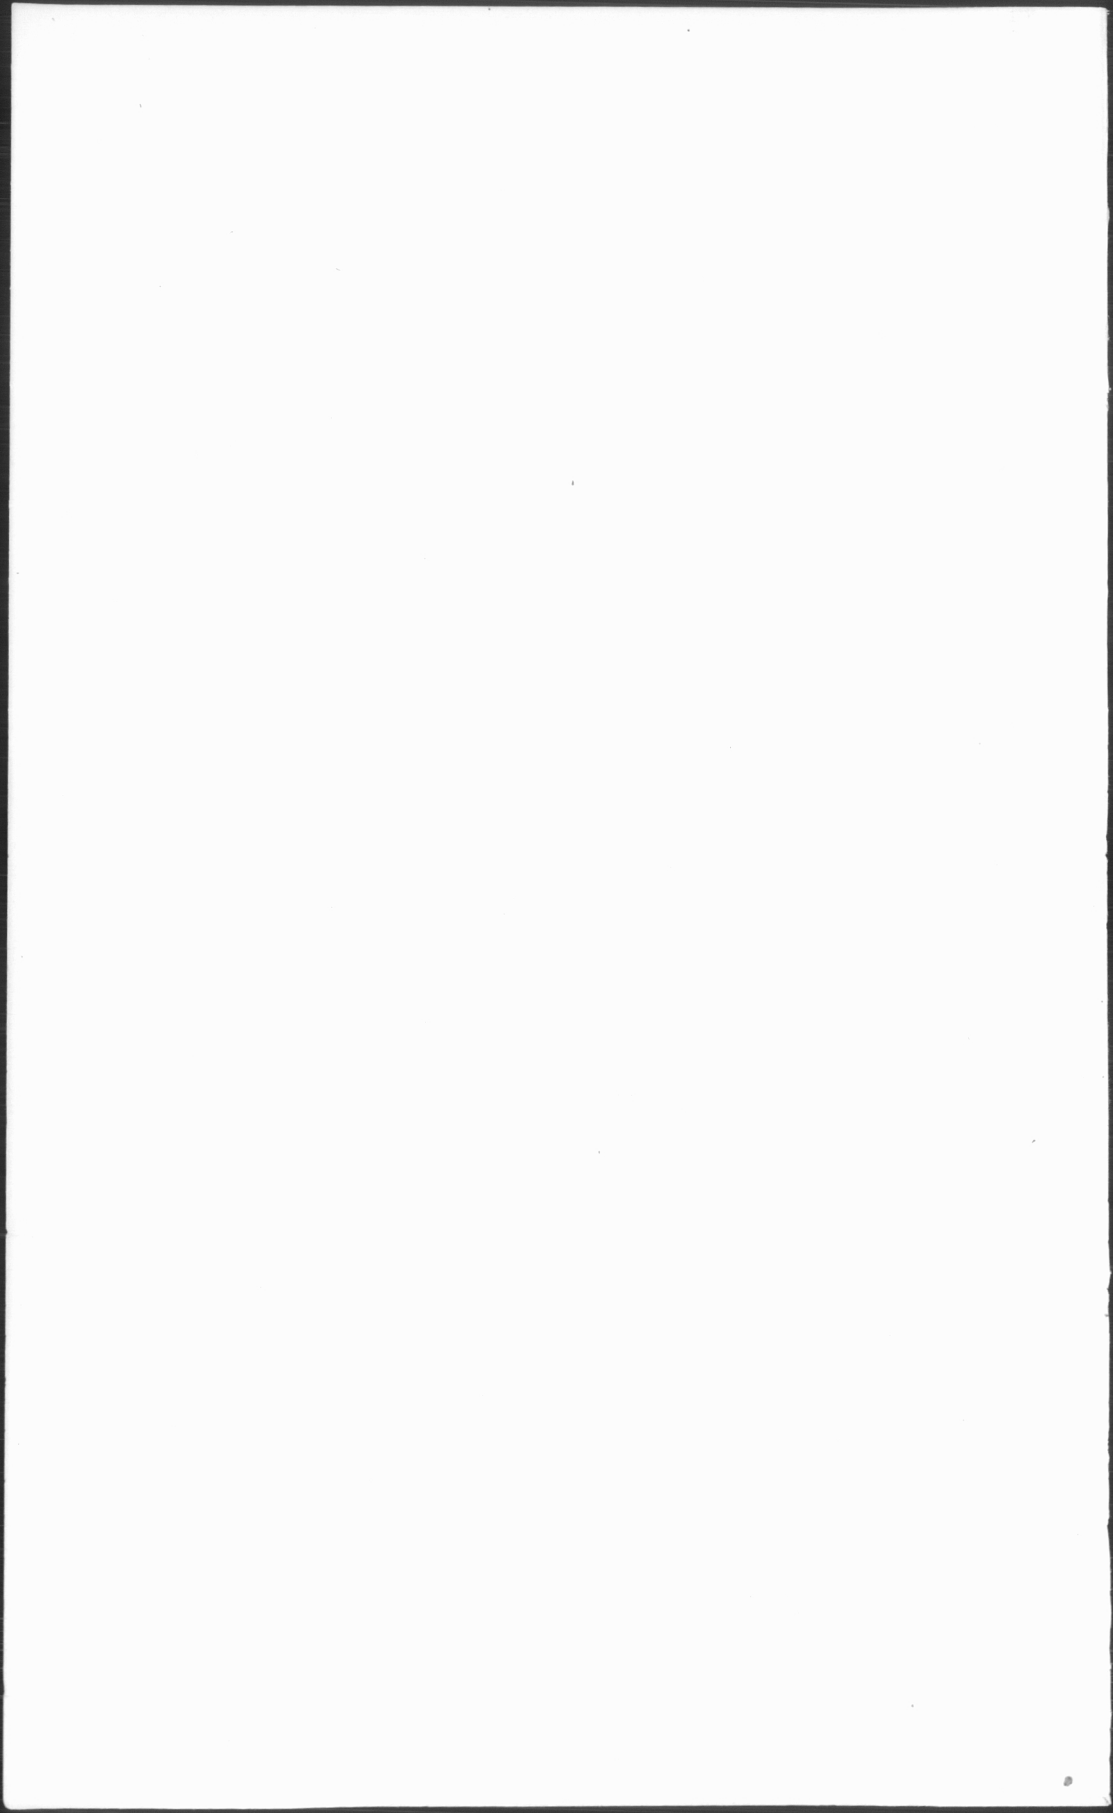

(1947).

52-53	Diseases Treated in Public Hospitals by Age and Sex	98A-101A
54-55	Deaths in Public Hospitals by Age and Sex	102A-105A
56	Diseases Treated in Private Hospitals by District and Sex	106A
57	Deaths in Private Hospitals by District and Sex	107A

NOTE.

STATISTICAL DIVISIONS.

In this Part, marriages, births, and deaths have been shown by statistical divisions. The statistical divisions are groups of Local Authority Areas. Their grouping and details for each area are shown in the tables of births and deaths (Tables Nos. 16 and 26).

Deaths of defence personnel, and of internees and prisoners of war from overseas, were excluded from all death statistics from the beginning of the 1939-1945 War until 30th June, 1947.

In tables of deaths and hospital cases, where dissection into tropical and sub-tropical has been made (Sections 5 and 7), the statistical divisions have been grouped as follows:—

North of Tropic, Coastal.—Mackay, Townsville, Cairns, Peninsula, and northern portion of Rockhampton (local authorities of Rockhampton, Broomsound, Fitzroy, and Livingstone).

North of Tropic, Inland.—North-Western, northern portion of Far-Western (local authorities of Boulia and Winton), and northern portion of Central-Western (local authorities of Aramac, Belyando, Longreach, and Peak Downs).

South of Tropic, Coastal.—Moreton, Maryborough, and southern portion of Rockhampton.

South of Tropic, Inland.—Downs, Roma, South-Western, southern portion of Central-Western, and southern portion of Far-Western.

1.—POPULATION.

Table No. 1.

POPULATION CHANGES BETWEEN CENSUSES.

Period.	Population at Beginning of Period.			Excess of Births over Deaths during Period.			Excess of Immigration over Emigration during Period. <i>a</i>		
	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1861-1871	18,121	11,938	30,059	9,077	12,293	21,370	44,569	24,106	68,675

a Including all troops enlisted in the State irrespective of location. Persons recorded as "migratory" or resident in "not incorporated" areas have been distributed among the various divisions of the State. From the 1947 Census, data were made available to enable the population of "not incorporated" areas to be allotted to its correct division, and migratory population was distributed *pro rata*.

b Full-blood Australian aboriginal population at Census, 30th June, 1947, totalled 9,100.
